Sir:

RESPONSE FOR RESUBMISSION OF AMENDMENT PAPERS

A response to the Office Communication dated April 22, 2005 and the Office Action dated October 4, 2004 was timely filed on May 16, 2005. The returned postcard was received indicating acknowledgment of receipt of the filed response by the Patent Office on May 18, 2005. A copy of the filed response and returned postcard are enclosed for your reference. Unfortunately, the above-referenced response was incorrectly scanned at the Patent Office under a different application number and therefore was never properly docketed into the correct application no.: 10/700,714. The scanning error was discovered by the examiner assigned to a different application number under which the enclosed response was mistakenly docketed. We therefore request that the enclosed response be resubmitted as was originally filed on May 16, 2005 under serial no.: 10/700,714 and a copy sent to Examiner Robert M. Fetsuga for further review.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to:
Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450
on this 5 day of July, 2005.
